Book Evaluation - Best First Book

PLEASE POST your scores and comments online. A link to the online judging form will be sent to you by e-mail. Please use these paper forms as worksheets and keep them as backup should you need to send them to IBPA. You are one of two or three judges in this category.

Evaluate each entry objectively, whether or not you agree with the author’s point of view or style of expression or idiom. Observations and suggestions should be provided on the back of this form and transferred online so entrants understand why they are receiving the scores they receive. Score your responses on a scale of 10 to 1 in which 10=perfect, 9=very good, 8=good, 7=significantly above average, 6=above average, 5=average, 4=below average, 3=significantly below average, 2=poor, 1=very poor. Please consider each topic independently and offer an appropriate score and comments for that topic. It is important to offer appropriate scores on each topic so we are able to determine the overall winners and so entrants can work to improve future editions of their books.
